PRESS RELEASE

September 15th, 2015

Appointement of Jean-Luc Bernard as Purchasing Director of PSB INDUSTRIES

Following the launch and success of its Purchasing project, PSB INDUSTRIES decided to create the Group Purchasing Director's function.

We are happy to announce that Jean-Luc Bernard was appointed to this position. Up to now, he was the Managing Director of the TEXEN skincare and make up plant (Mayet) in Saint-Pierre de Bresse (71). We thank him for his contribution during 8 years in this major TEXEN's unit.

In line with our strategic plan Ambition 2020, this evolution will support our business development and help us continue to satisfy our customers and partners.

Olivier Salaun
CEO
