Packaging and specialty chemicals

Appointment of Annie Bouvier as Group Human Resources Director

After 3 years in the HR position, Sandra Hong left PSB INDUSTRIES Group at the end of March. We would like to thank her for her contribution and commitment during the first few years; she has been involved in the creation of the HR function and in the transformation as part of our Ambition 2020 strategic plan.

In order to pursue and to give a new dynamic to the work which has been initiated and to accompany the ambitions of the Group, we are pleased to announce the appointment of **Annie Bouvier** as **Group Human Resources Director** from April 3rd.

With a degree in political science and a Master degree in Human Resources (Lyon), Annie held different managerial positions in Human Resources and accompanied numerous industrial and service companies, at an international level (SOMFY, Merck...).

She will directly report to Olivier Salaun, CEO & Chairman of the Group, will be based in Annecy (France) and will therefore be part of the Comex whose members are:

- Emmanuelle Bouvier, President of the Healthcare & Industry BU
- Benoît Grenot, President of the Specialty Chemicals BU
- Sylvain Raux, President of the Food & Retail BU
- Olivier Salaun, Chairman & CEO and President of the Luxury & Beauty BU by interim
- Rémi Weidenmann, Deputy CEO in charge of Finance, IT and Strategic Planning

We wish her all the success in her new position.

Olivier Salaun
